

NIGHTCLIFF FOOTBALL CLUB

The Nightcliff Football Club was originally formed as Works and Housing Football Club in 1950 and competed in the 1950/51 season. As the NTFL consisted of only the League competition until the Reserves Grade was started in 1953/54, and the Senior Colts competition established in 1956/57, the Works and Housing Club was established to give fringe players and a number of younger players who could not get a game with Buffaloes the opportunity to play in the NTFL competition. The club was renamed Nightcliff Football Club in 1963/64.

The foundation members of the Club were Bert Garrett as Secretary, Merve Hunt, Ron Bridget, Roly Dunn and Bob Renner. Most were employed by the Commonwealth Department of Works and Housing. They were supported by former Buffalo players Leo Pon and Ron Chin.

Stewie Clark, Keith Smart, Frank Griffin, Ken Utting, Ian White, Tom Blackley, Mike Crawshaw, John Greenoff, Cost Karaolias, Eddie Motlop, Paul Bleile and Cedric Suradi are amongst a long list of Nightcliff stalwarts who have over the years given dedicated and tireless service to the Club.

Since inception the club has only won three Premierships in 1956/57, 1960/61 and 1964/65. The Tigers' League teams must have been reasonably strong as they were runners-up on seven occasions, third seventeen and fourth a further eleven occasions. The Club has won eleven Reserve grade and seven Under-18 Premierships.

The Football Club is part of the Nightcliff Sports Club and has it's own home ground with change rooms at Nightcliff Oval which was first used for NTFL fixtures in 1972. Within the grounds is a licensed Club House which is shared by all Members of the Sports Club.

The official guernsey colours are black with yellow sash, yellow numbers, black logo shorts and black and yellow hooped socks. The club teams are more commonly know as the 'Tigers'.

Nine Nightcliff players have won twelve Nichols Medals. They are Harold Muir 1956/57, Joe Bonson 1958/59 and 1959/60, Benny Lew Fatt 1963/64, Ken Bonson 1970/71, Mark Motlop 1977/78 (tie), John Tye 1978/79, Joe Daby 1972/73 (tie) 1980/81, Norm Murphy 1996/97 and 1997/98 and Warren Berto 2007/08.

Early club Best & Fairest winners is believed to have followed the leading NTFL Nichols Medal votes up to 1963-64.

Joe Bonson was the first of six NTFL players to win the Medal twice. He was also Runner-up to Ted Cooper 1957/58 and Bertram 1962/63. Joe Daby and Norm Murphy were also won dual Nichols Medals. Mark Motlop was also runner up in 1982/83, and third on three further occasions, 1979/80, 1984/85 and 1985/86.

Because of his VFL/AFL reputation, Michael McLean stands out as the most celebrated local player to come from the Nightcliff Club. He played all his Junior football with Nightcliff before being discovered by VFL/AFL club Footscray.

Michael won the U-15 Best & Fairest Gundersen Medal in 1978/79, the U-17 Best & Fairest Hickman Medal in 1979/80, was a member of the 1980 and 1981 NT Schoolboys team, the 1981 All Australian Schoolboys, NT TEAL Cup member in 1980 and 1981 winning the Best and Fairest award in 1981.

In senior football, Michael played 35 NTFL games and represented the NT against North Melbourne in 1988, Tasmania, Australian Amateurs and VFA in the 1988 Bicentennial 2nd Division National Championships, and was one of three NT players names in the All Australian Team at the Bicentennial Championships.

He was Vice Captain of the NT team against Hawthorn in 1991 winning the Australia Day Medal for Best on Ground. He also represented the NTFL against Geelong in 1992 and Melbourne in 1993. Michael has played over 120 VFL/AFL games with Footscray and Brisbane Bears, winning Club Best & Fairest 1991 and 1993.

Since Michael, Anthony Corrie and Jason Roe have been drafted into the AFL, both by Brisbane after Jason was on the rookie list for Collingwood.

Many other players from Nightcliff have played in the SANFL and the WAFL. Rohan Helyar and Paul Motlop with Norwood (Rohan represented SA), Mark Motlop with Port Adelaide, Glenelg and South Fremantle, John Tye with Norwood, Robin Kidney with Glenelg, Adrian Kidney with West Adelaide, Tony Dragun with West Perth, Wayne Allard Perth, Richard Bray Port Adelaide, Warren Berto South Adelaide, Norm Murphy Sturt, Mathew Scott- Toms Sturt

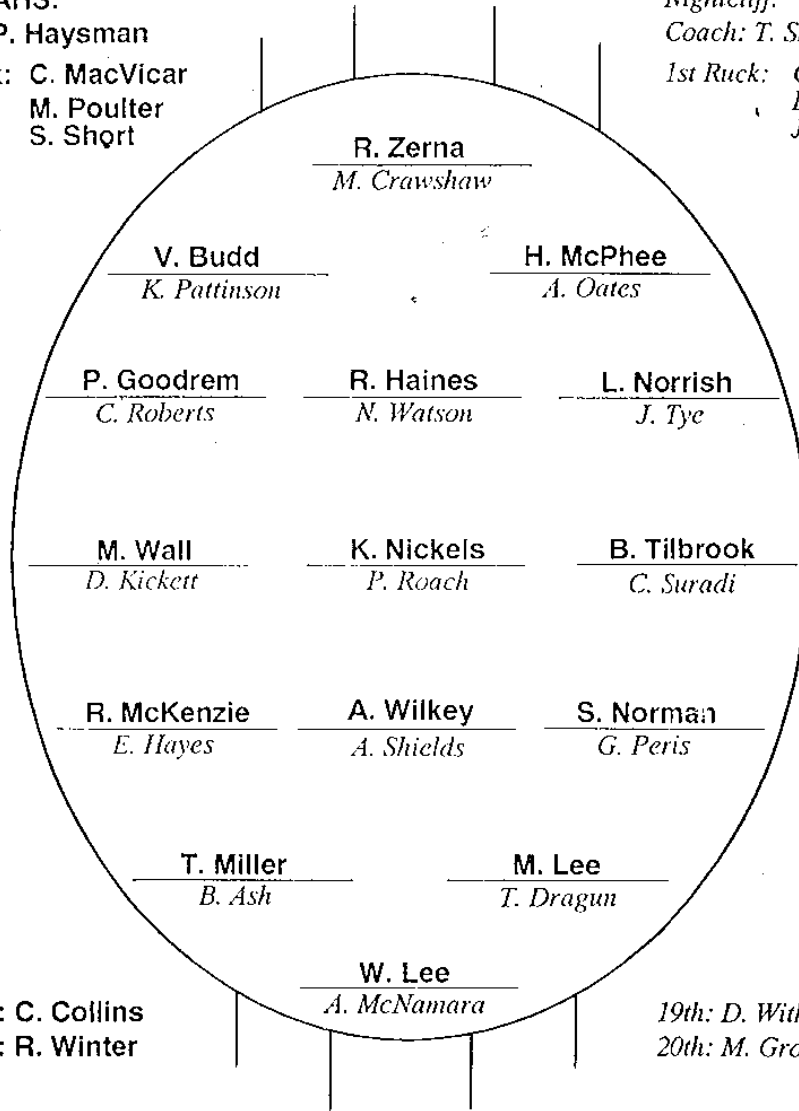

One of the best Tigers team from the eight which made the Grand Final would have to be the 1973/74 team which lost one of the most exciting and close games (by three points) to the best ever Waratahs team. The line-up was:

**1973/74 NTFL GRAND FINAL
GARDENS OVAL, DARWIN, 30th MARCH 1974**

**WARATAHS 13 . 11 (89)
NIGHTCLIFF 13 . 8 (86)**

* Denotes games prior to Cyclone Tracy and all the records have been lost. Research through past players personal knowledge, club certificates and media reports of that time suggests that all of these players have played more than the AFLNT recognised games.

The following players are believed to have played over 100 games for the club however, these records are not recognised by the NTFL. The figures below are still being checked as and when records are identified through media reports of the day.

Cedric Suradi	100
Joe Bonson	200
Ken Bonson	250

John Bonson	100
Ned Cummins	100
Barry Ash	99
Craig Stewart	88
